Dear Sir:

CORRECTION AMENDMENT

This communication is filed in response to the Official Action in the above-identified application dated July 1, 2005, and having a shortened statutory period for response set to expire on August 1, 2005. Please correct the amendment filed June 22, 2005 in the referenced application by inserting the word "Currently" before Amended" in each amended claim, as indicated in the attached document titled "Corrected Amendments To Claims."

In the Specification:

A substitute abstract having no more than 150 words is attached.

In the Claims:

Please amend the claims as indicated on the attached document titled "Amendments to Claims."

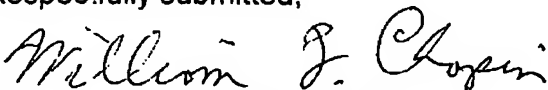

Remarks:

The examiner's indication that Claims 3 and 5-16 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims is noted and appreciated. Claim 1 has been amended to include all of the limitations of Claims 1-3 as originally filed, and Claims 2-3 have been canceled, and Claim 4 has been amended to depend from amended Claim 1. Accordingly, amended Claim 1 and Claims 4-16, which depend therefrom, should be in order for allowance. Claim 17 has been added

1 which includes all of the limitations of amended Claim 1, and which recites further structural  
2 details of the claimed article. Accordingly, new Claim 17 should also be in order for  
3 allowance.

4 In view of the remarks above, it is submitted that Claims 1 and 4-17 are now in  
5 order for allowance, and prompt notice of allowance of those claims and advancement of this  
6 application to issuance are earnestly solicited.

7 Respectfully submitted,

8
